FRIENDS OF SCOTCHMANS CREEK AND VALLEY RESERVE INC.

Incorporation No. A0037872K
http://scotchmanscreekfriends.org.au/

The Friends of Scotchmans Creek and Valley Reserve Inc. is a volunteer community group dedicated to the protection, maintenance and rehabilitation of the Scotchmans Creek and Valley Reserves in Monash.

We work in cooperation with Monash Council and Melbourne Water in maintaining and enhancing this environment and we encourage neighbours and the wider community to join with us in this work.

We are an Incorporated Association with a Committee of Management. Current Office Bearers are listed below. We hold regular committee meetings and general meetings with interesting speakers throughout the year.

The Monash Council and Melbourne Water welcome the interest and support of community groups in the rehabilitation of waterways, and it is a way for your ideas to be taken into consideration. The Scotchmans Creek Linear Park and Valley Reserve are already beautiful community areas, widely appreciated by many residents. But they can be made better – and you can help!

If you agree with these aims and would like to join us, you will be kept informed of happenings along Scotchmans Creek and be able to assist in this valuable work. Fill in the Application Form below and forward to the Treasurer.
